

OCIPUG OS & PRODUCTIVITY SUITES SIG

General Meeting Featured Presentation

February 15, 2011

OCIPUG OS & Productivity Suites SIG

- **Windows 7 “god mode”**
 - Create a new folder (e.g., right click in an open area on the desktop, select “New” and “Folder”, click once in an open area on the desktop, yielding “New Folder”).
 - Rename “New Folder”, pasting in the following text for the name:
GodMode.{ED7BA470-8E54-465E-825C-99712043E01C}
 - Proceed with caution!
