ADDENDUM

P r e s e n t a t i o n b y

This coming Saturday
January 27, 2007

Mark Haley of MyPCTalks

Will present Spectacular Videos of
America's National Parks, Hawaii, Japan
and Britain plus
language training technology.

Mark will also be showing how to create
your own videos of your vacations or
other places and/or things you would like
to share as a video.
